Large (over 250 lbs.).....	\$30.00/head

METAL & WIRE

Should be diverted to the scrap metal pile for recycling. If possible separate the metal and wire beforehand so it can be unloaded at the designated recycling areas.

Clean Wood Waste Collection Program

Diverting clean wood waste will save space in the landfill lined cell.

Clean Wood Waste consists of :

Branches, limbs, pruning's, stumps, natural unpreserved lumber and wood waste, and pallets.

Wood should be free of contaminants that would damage wood waste processing equipment such as dirt, rock, concrete, plastic, metal.

Unacceptable materials for this area are:

Painted, preserved, waterproofed or stained woods pressboard, plywood, OSB, particle board, gypsum waste, laminates, formica, furniture, soil, rocks, sod, food waste, pet waste, creosote or chemically treated wood.

Compost

**Grass, Leaves, Straw, Manure, Hay,
Sawdust, Woodchips,
Branches to 1/4 inch.**

Late Fee

The site will promptly close at 4:30 p.m. Late customers will be turned away. Any customer unloading after the closure time will be charged a late fee.

The late fee is incremented in 10 minute intervals after 4:30 and will be charged at \$25.00 for each interval.

Up to \$100. may be added to the tipping fee.

Unsecured Load Fee

The additional fee will be \$25.00 added to the waste deposit charge for the first offense increased by an additional \$25.00 for each subsequent offense

CLASS 4 WASTE SITE

In order to conserve space at the landfill site, separate areas have been designated for:

Concrete
Non treated wood products
Tree Stumps and Limbs
Clean Rock and Dirt.

Contaminated soils must have prior approval from management.

**WHENEVER CONVENIENT
HAVING THESE PRODUCTS SEPARATED
WILL HELP OPTIMIZE USE OF THE AVAILABLE
LANDFILL SPACE**

MATERIALS THAT REQUIRE SPECIAL HANDLING:

**Please tell the scale attendant what is in your
load at weigh in.**

Paint:

We accept latex paint containers. All contents must be dried up. To facilitate this use kitty litter, sawdust or sand. Make sure all liquids are absorbed.

Oil based paints should be taken to the Household Hazardous Waste Event @ the Bozeman Convenience site on the 2nd Saturday of each month.

Contaminated Soils:

Must have prior approval from management.

Asbestos:

Non friable asbestos

Must have prior approval from management.

WE DO NOT ACCEPT FRIABLE ASBESTOS.

See our website for waste tracking forms.

We accept;

Batteries, Propane tanks & cylinders, Pesticide containers, Bear spray, Oil and Antifreeze.

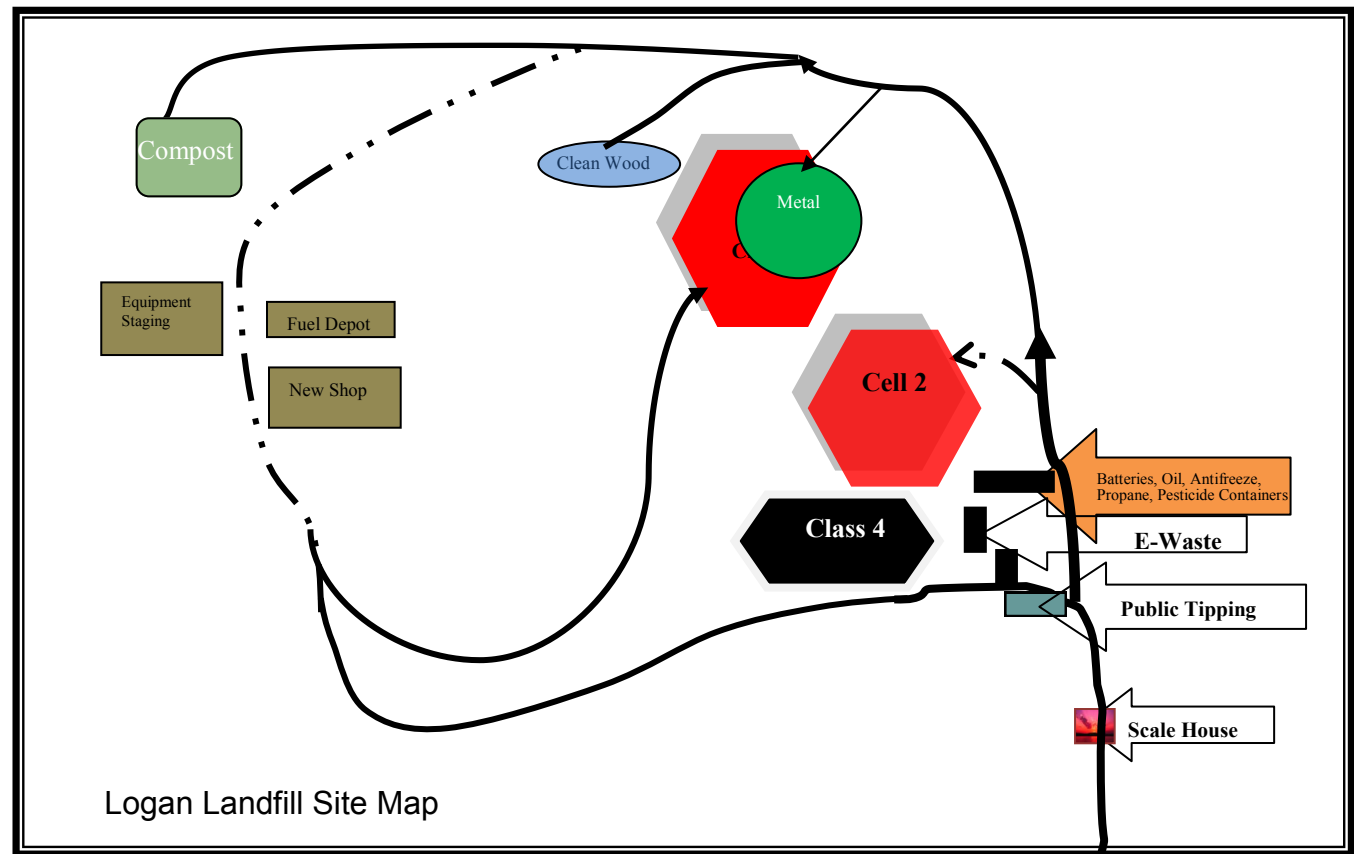

Bring liquids in non returnable containers.

These items are charged as part of your regular load.

We have a designated drop off locations for each to be recycled.

Trailer Houses, Mobile Units or Structures:

Please call 406-582-2494 OR 406-582-2495
for disposal process and fees.

Mission Statement

The purpose of the Gallatin Solid Waste Management District is: to provide constituents with cost efficient solid waste services; to provide for the balanced consideration and representation of the diverse views and issues regarding solid waste management; to advocate for the health, safety and welfare of the residents; to manage the processing, reclaiming, storing, transporting, or disposing of waste in ways that protect the ecology of lands in the District; to identify goals, policies and procedures that will aid local jurisdictions in meeting solid waste reduction and recycling goals.
